Customer Problem Statement

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
A person with a family history of kidney disease	a patient over the age of 60 whose family has a history of kidney disease	find out if i will get a kidney disease	i cant get a get checkup without showing symptoms	the rules and regulation made by the hospital to prevent misuse of the system	frustrated
Regular checkup for patients	I am a preson who has regular check up at the clinic	I am trying to be free of any chronic disease	Each have to be individually tested to know if I have them	There is no fast way to test for one chronic disease	helpless
Test to see if a person will have said disease or not	Someone who wants to see if he is susceptible to any chronic disease	Find out if I have any disease	Takes time to test	Theres different test for different disease	helpless
